Dear Parents and Carers

We have information to say that there will be an announcement from the prime minister asking schools not to hold school events for Christmas.

This is due to increasing Covid rates nationally and the new Omicron variant.

Face coverings are also to be made compulsory in shops and public transport. We are continuing to wear face masks wherever possible when moving around school.

This means we can not have 'live' events and our Christmas performances will be shared via Microsoft Teams. I am truly sorry you will not be able to come into school and take part in any events and see your child perform.

We will check which students can't be seen on screen and ensure their part in the performance is not shared on screen. You will be able to see your child taking part in a Christmas performance via 'Teams'.

Please be aware it is essential that only parents/carers or close relatives see the performance. Under no circumstances can you take pictures or video of your child from the screen. No images of your child from the performance or any other child can be shared on social media or with anyone else. It is very important in terms of safeguarding our students for this to only be shared as a 'one off' event.

We will be sending letters out and would ask you to confirm if you are willing or not for your child to be seen by other families on our Microsoft Teams performance. We will also need to invite you via your email through Microsoft Teams so please also share your email on the return slip.

We are anticipating keeping to original times of performances but will have only 2, both sharing via Microsoft Teams.

The Panto will be a live showing and is scheduled for:

Wed 8th Dec at 1:15pm

Thur 9th Dec at 10am

The KS3 Christmas show will be pre-recorded and will include Gold, Purple, Rainbow, Indigo and Jade classes in 'Christmas around the World'.

Primary School Christmas show will be pre-recorded and will include:
