Friday 15th June 2018

Dear families, parents and carers

Summer Fete

On Saturday 23rd June it's our Summer Fair from 11am to 2pm. Please come along and have fun with us and hope for decent weather so you can throw wet sponges at Rob and myself!

S Factor Semi-Finals

We all had such a great time last night at S factor. I was so proud of so many parents, students and staff who supported such a wonderful event. There was, as ever, such a great range of acts and to such a high quality. It was a pleasure to see and hope that all who were there enjoyed it as much as I did. Most of all congratulations to all of our brave, skilled and confident young people who have worked so hard to make the evening so special –well done!

Dress up and dance for Macmillan

Today we had dress up and dance for Macmillan Cancer Research and had lots of fun while raising money for them. Again, thanks to all the students and staff who worked to make it such a success.

Mission statement and expectations from the governors

We will let you know in the next week or so if your child is moving to a new class. You will have an opportunity to meet the class teacher on Friday 13th July from 1:15pm. If you can't make this just arrange another time with us.

Charity Night

Thank you for all your support. It was a fantastic night and we raised over £1000.

School building developments

We have been working hard to make our old building more 'fit for purpose' and suit the needs of our learners. I hope you can come and see the developments in the new library as it is looking good already just as a 'shell'. We will continue to set it up ready for September.

Attendance

Thank you to all the parents who have really made an effort to ensure their child has good attendance. I am so thrilled as our attendance has gone up as a school to 89%. We are nearly up to our target of 90%.

EYFS and 6th Form students

Please be aware that we close early for the summer break for students in Yellow, Blossom classes and all 6th Form students in Homebase. School will finish for those students on Friday 20th July. For the remainder of students it will be school as usual. This is essential to ensure all our essential training is carried out yearly for all staff.

Meeting with Warren (CEO of Nexus) & Myself

Vic Harrop has organised an informal question and answer session at 10am on Wednesday 20th June where all parents are welcome to chat to us to raise any issues.

Mission statement and expectations from the governors

The governors have created some ideas for a new mission statement. They would really like feedback about what is important to the students and their families/carers.

There is a separate evaluation sheet for parents and staff to comment on and change our new;

1. The mission statement/s
2. Expectations

It would be really helpful if you could respond to this by the end of next week. These can be anonymous or you can contact me or Shaz Biggin to talk through any ideas.

Dates for your diary for the rest of the year

Name of event	Date and time	Booking details
Upper school disco	Tues 19th June 6-8:30pm	Pay on door
Summer Fair	Saturday 23 rd June day	Book through school office.
