Dear families, parents and carers,

Panto

Well what can I say! It is always 'interesting' to see what is developed through the work of the students and what comes from Jeff Millar's mind. I know so many people supported this in so many ways but I do need to thank Anita Lacey and Claire Saddington for making it all happen. What was so fantastic about the performances, which many people commented on, was how relaxed and confident all of our brilliant students were. Thank you to parents for supporting and all of our young people for doing such a brave and fantastic job.

Nativity and Class Performances

How nice to see so many of our children involved in such a smashing event. The combination of singing dancing and videos of our children was so much fun to see. Again, Anita did a great job supporting our students with their dance and movement to a variety of songs and organising the performances. The nativity was so wonderful to see and thanks to Alice and the team for such a brilliant job. Thanks of course to our performers who were such stars.

I do want to say a special thank you to Spacie our superb technician and IT wiz. He has really helped to make all the 'magic' happen for all of our students.

Parent's Chinwag and Facebook page

This is a very informal and friendly meeting for parents to discuss whatever is important to you. If you have not been I would recommend you contact Becky Earp and take this opportunity to chat to other parents. There is also the 'parents only' Facebook page which again is organised by Becky.

Transport meeting

Just a reminder that this will be in the school hall on Thursday 19th December at 9:30. Do come along and find out about the changes.

Christmas Holidays

We do wish you all a good Christmas and hope that it is a peaceful as it can be over the holiday. I wish you all well and will see the students back on Monday 6th January.
