Total number of pupils	116	Number of pupils eligible for PP	32	Date for next internal review of this strategy	Reviewed Jan 19

2. Barriers to future attainment (for pupils eligible for Pupil Premium)	
All pupils at Hilltop School face significant barriers to learning as a result of their individual needs combined with socio-economic factors.	
In-school barriers	
A.	Communication assessments, systems, pathways and training
B.	Understanding sensory needs and the impact on learning
C.	Behaviour management, support, reporting and monitoring
D.	Emotional well-being - anxieties, confidence & positive self-image often linked to behaviours and pupils with ASC
E.	Complex care needs not being met by CHC above and beyond universal services
F.	Opportunities for residentials, enrichment and opportunities beyond usual school activities
External barriers	
G.	Attendance (due to ill-health, medical conditions, sustainability of placement at home/school)

3. Outcomes			
	Desired outcomes and how they will be measured	Success	Planned Expenditure

A.	30 pupils have additional input for communication from the Teaching and learning team, Makaton tutors and development of communication systems	Create an effective communication flow chart to assess individual need by Jan. Ensure every pupil has a communication assessments leading to them accessing their appropriate communication systems. Termly assessment of effectiveness of communication system linked to Pupil Progress meetings. All staff using flowchart to ensure all pupils have a clear functional communication method.	£18,300
B.	13 pupils requiring sensory input have access to sensory provision on a daily basis.	Pupils have a sensory one page profile that details their possible sensory inputs/needs. Pupils have a completed sensory assessment. Pupils have input from sensory OT. Pupils access daily sensory circuits or have sensory input during their learning time in class. Pupils needing additional support have regular access to SI classroom/ experiences.	£15,500
C.	17 pupils identified with behaviours that impact on access to learning have either, a behaviour management plan, hierarchy of support or one page behaviour profile appropriate to their needs.	Routine monitoring of incidents will track impact of behaviour support. Each pupil has an effective behaviour support plan which reduces the impact of behaviour that challenges learning. Routine analysis of individual progress in terms of duration, number of incidents, intensity, number of staff/pupils targeted/needed to support.	£17,500
D.	13 pupils identified with emotional well-being needs will have targeted support through bespoke learning programmes.	Pupils are making at least expected progress as monitored through pupil progress meetings and termly assessments to ensure engagement with learning is improving. ELSA work ensures that therapeutic/mental health needs are supported. Home/school diaries and IEPs indicate they are making more positive choices around, food, behaviour and engagement with activities.	£8,600
E.	8 pupils have additional care needs not being met by universal services and these will be targeted through individual care plans around their additional needs.	Engagement in learning is improving. Pupils have their care needs met to increase their time 'on task' and engaged with learning. Pupils not able to access learning full time are supported at home to engage positively with learning.	£9,200
F.	21 pupils have access to wide range of activities both in and out of school which provide social, independence and new experiences.	Pupils access one residential and at least half term of extra-curricular activities. Pupils continue to access the community successfully.	£3,400

G.	Improved attendance rates for 12 pupils eligible for pupil premium.	Close attendance monitoring by FSW/Data Manager/Head ensures all pupil eligible for pupil premium funding have increased attendance from last year. 6 pupils identified as persistent absentees will have improved attendance from their starting point to move below the 10% persistent absence threshold	£8,600
			Total planned expenditure: £81,100
