

Hilltop are Walking to the World Cup

Starting January 2022 Hilltop are hitting the streets!

Students will walk, ride, bike, shuffle, bounce, roll, crawl or run 11,556 miles around all the world cup stadiums for the World Cup throughout 2022.

Please support us to raise funds for our outdoor gym, by stomping from France to Brazil, Spain to Argentina. Every Mile counts.

Every week our students and staff (and you family members if you want a post Christmas challenge!) will be logging the miles they have covered. Each one will get us closer to our end destination by Kick off on December 18th 2022

Classes will learn about each country we visit by celebrating the culture, music, dances, food and customs.

The class that covers the most distance when heading for a stadium (or puts in the best effort!) will 'win' that country in the world cup sweepstake. If their country wins the World Cup, they will bag a prize for class!

Sheffield Wednesday and Rotherham United will be coming in to help the students hit their targets.

Please sponsor your child to get their class prizes and to help us raise funds for a fabulous outdoor gym. So all those fit kids can continue being fit into 2022 and for years to come.

Get moving!!
